

Please, reject NAB's petition 04-160.

I am an XM Satellite Radio Customer. Part of the reason I chose to subscribe to XM was for the variety and quality of listening that is not available elsewhere. I pay for the privelege of listening to ALL of XM's programming - including traffic and weather.

The National Association of Broadcasters should not have the right to dictate what type of programs I am allowed to hear on XM.

AGAIN, PLEASE REJECT NAB'S PETITION 04-160.

Sincerely,

Pauline Nowak
